## ESTHETICS PROGRAM

**Esthetics** also known as aesthetics is a branch of anatomical science that deals with the overall health and well-being of the skin, the largest organ in the human body.

### PROGRAM DESCRIPTION

The 800-hour Esthetics course is a program is designed to teach our students about the care of the skin and the different techniques used in Skin Care. Students will be trained in a through a variety of services including:

- ✓ Facials
- ✓ Skin Analysis
- ✓ Makeup Artistry
- ✓ Oily/Acne deep pore cleansing
- ✓ Microdermabrasion/Micro-current/ Ultrasound Techniques
- ✓ Spa Treatments using body polishes and wraps
- ✓ Skin Care regimens/retailing
- ✓ Full Body and facial Waxing
- ✓ Lash/Brow tinting
- ✓ Eyelashes, individual/strip

Our Skin Care Program goes well beyond basic Skin Care training. Students will learn the structure and functions of the skin and how to identify skin conditions, lesions and diseases.

You will be trained to recognize skin problems that require a Dermatologist or a Medical Professional, and refer your clients for medical treatment if the skin problem is beyond the scope of the esthetician's field. Many Skin Care professionals also have the opportunity to become medical estheticians in places like dermatology, or plastic surgery offices.

### PROGRAM OBJECTIVES

The objective of this program is to provide comprehensive training in the field of Skin Care and to successfully complete the State and school requirements to become eligible for licensing with the Board of Cosmetology for the state of Indiana.

Estheticians have a variety of career opportunities in the beauty industry, including:

- ✓ Facial/Skin Care Specialist
- ✓ Waxing Specialist
- ✓ Spa Director
- ✓ Wellness Consultant
- ✓ Educator
